AS NOTED IN THE HIPAA REGULATIONS:

“Section 164.506 of the HIPAA privacy regulations permit release of information for treatment, payment, or healthcare operation purposes without a specific patient authorization. Consequently, the regulation allows a mammography facility to transfer medical records to another covered entity in most situations without specific patient authorization. The Office of the Civil Rights, the KHHS office with primary responsibility for HIPAA implementation, has also stated that, a covered healthcare provider may share protected health information with another health care provider for the treatment purposes without a business associate contract.”
